**Enrollment Begins November 28th for fall enrolled kids. Open enrollment to all begins Nov. 30th!**

Please visit [www.cll.pitt.edu](http://www.cll.pitt.edu) for Enrollment Information.

PITT’S KIDS program provides instruction in aquatics and physical activity to children ages 3—13 years old. As a developmental program Pitt’s Kids is comprised of two parts: Physical Activity in the gym and Aquatic Instruction in the pool. All children involved participate in a variety of age-appropriate activities with a focus on progressive skill instruction.

What’s new: 3-4 year olds will be broken into three groups instead of two this spring. Each group will participate in each activity for 30 minutes. Areas that the 3-4’s will participate in are Locomotion fun, Obstacle course frenzy, and water safety.

**DISCOUNT INFO:**

In an effort to include all children in our programs, the University of Pittsburgh will be offering a limited number of scholarships to families on lower incomes. Please call Kyle Kenia for more information.
