PITT’S KIDS program provides instruction in aquatics and physical activity to children ages 3—13 years old. As a developmental program Pitt’s Kids is comprised of two parts: **Physical Activity** in the gym and **Aquatic Instruction** in the pool. All children involved participate in a variety of age-appropriate activities with a focus on progressive skill instruction. These Sat. mornings offers two sessions including: 50 min. of physical activity and 50 min. of aquatic instruction, plus a Parent Fitness program for parents of children who participate.

**DISCOUNT INFO:**

In an effort to include all children in our programs, the University of Pittsburgh will be offering a limited number of scholarships to families on lower incomes. Please call Kyle Kenia for more information.
